

# HURON HYGGE

## Paper Cup Fox Craft Instructions

Before you begin you will need to find a paint brush and some scissors. Remember to always paint on a washable surface. (paint provided is tempera, washable and non-toxic)

**Step 1:** Paint the sides of your cup! (Let it dry completely)

**Step 2:** Using the template, cut out the shapes in orange or white paper.

**Step 3:** Glue the white details you cut out to your orange pieces.

**Step 4:** Glue your feet to the cup as shown. Tip! Glue in the foot-belly-foot order for perfect spacing.

**Step 5:** Glue your fox's ears, eyes, and nose to its face

**Step 6:** Glue on the tail and the head you just made to the body of your fox.

**Step 7:** Almost done! Glue or place your new fox friend on his snow bank!

## Paper Plate Fox Craft Instructions

Before you begin you will need to find a paint brush and some scissors. Remember to always paint on a washable surface. (paint provided is tempera, washable and non-toxic)

**Step 1:** Paint your paper plate halves orange. (Let it dry completely)

**Step 2:** Cut one half of the paper plate to make a head, a tail, 2 ears, and 4 legs as shown above.

**Step 3:** Cut out a triangle from the white paper and make it zig-zag. Glue it onto the head.

**Step 4:** Glue your 2 small triangle ears, 2 googly eyes, and pom-pom to finish your fox's face.

**Step 5:** Glue the head to the other painted half of your paper plate.

**Step 6:** Cut out some tail details with white paper and glue it on.

**Step 7:** Glue on tail and legs. Share your new fox friend on social media by tagging #HuronCountyLibrary and cozy up for some hygge!
